

Fall 2017 and after – MATH PLACEMENT AND PREREQUISITES

For MATH 101, 105, 106, 107, 108, 109, 110, 111, 120, 125, 139, 140, 150

Test scores below represent raw scores (number of correct answers). There are 20 questions on each test.				
For entry into...	Test 1 score is at least...	AND Test 2 score is at least...	AND Test 3 score is at least...	OR student has <u>C or better in...</u>
Math 101	<10	0		
Math 107	10	0		
Math 105 (College of Education only)	12	0		Math 107
Math 106 (College of Business and Science only)	12	9		Math 107
Math 108	12	13	0	Math 107
Math 109	12	15	10	Math 108
Math 110	12	0	0	Math 107
Math 111	12	15	10	
Math 120	12	0	0	Math 107
Math 125	12	8	0	Math 107
Math 139	12	15	8	Math 108
Math 140	12	15	8	Math 108
Math 150	12	15	14	(Math 108 & 109) or (Math 111)
Math 151	12	15	10	(Math 108 & 109) or (Math 111)

If a student earns D, F, or WF in the prerequisite course, the student **MUST** repeat the prerequisite course (and must meet placement requirements for that prerequisite). Entry into the next course by way of a placement test is not an option in this case.

In other words, a grade less than C in the prerequisite course trumps any placement score.
