for a credit/refund  Sunday, September 6th

Last day for students to drop a course online using
SalukiNet (no refund and a grade of W)  Sunday, November 1st.

Author:  Sullivan
Edition:  Eleventh

GRADING:  Homework/ Quizzes:  200 points
Four Tests @ 75 pts/each  300 points
Midterm  100 points
FINAL  200 points
TOTAL  800 points

The standard university grading scale is applied.  If a student misses less than 4 classes the lowest test grade will be dropped
(does not apply to the midterm) and the average of the three highest replacing it.  A student with perfect attendance will have their highest
test substituted for the lowest test score.  All students must take the final.  Make-ups for tests and the midterm will be limited.
Undocumented excuses will result in a score of zero for the test or midterm.  NO LATE WORK IS ACCEPTED.

The only calculators allowed in this course are TI 30’s.  No other calculator is permitted. Absolutely NO cell phones are
allowed in class.  We will follow the on-line syllabus and the midterm will be similar to approximately 50% of one of the on-line math 139
finals.

Emergency Procedures.  Southern Illinois University Carbondale is committed to providing a safe and healthy
environment for study and work. Because some health and safety circumstances are beyond our control, we ask
that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team
(BERT) program. Emergency response information is available on posters in buildings on campus, available on
BERT’s website at www.bert.siu.edu, Department of Safety’s website www.dps.siu.edu (disaster drop down) and in
Emergency Response Guideline pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting
your location. It is important that you follow these instructions and stay with your instructor during an
evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your
instructor in evacuating the building or sheltering within the facility.
