MATH 150, Fall 2015
Calculus I

Jerzy Kocik
Neckers A377
jkocik@math.siu.edu

OFFICE Hrs: Announced in class

GRADING:
- Tests (3, 100pts each) 300 pts
- Quizzes (~12, 3 will be dropped) 100 pts
- Homework 100 pts
- Final 200 pts

ATTENDANCE: Required. If your attendance is satisfactory (no more than 3 absences), then your lowest test score will be replaced by (half of) your Final Exam score (if better). Use your 3 “personal days” wisely.
[Students missing more than 6 classes should withdraw]

QUIZZES Many quizzes will be given from which three will be dropped from the overall score. No makeup quizzes will be offered.

HOMEWORK: Homework will be suggested every meeting. Official assignment can be found On our web pages. Keep a special Problem Notebook. It will be graded.
CONTINUOUS WORK ON PROBLEMS IS THE WAY TO MASTERY

FINAL: Final exam will be comprehensive. No graphing calculators! You have to pass the Final in order to pass the class.

GRADE SCALE: Grades A B C D correspond to (at least) 90 80 70 60 % respectively.

HELP SESSION: Offered at the Study Hall, the 2nd floor of Neckers B: Mon – Thur, 4 – 9 pm.

WEB PAGES: calculus-1.blogspot.com.

CALCULATOR: Graphic calculators are banned from all quizzes and tests. However you are encouraged to explore electronic means for private experiments with math.
