

The L^AT_EX Sample Abstract for LLC Talks

Betsy Lee & John Hsu

Department of Mathematics

Southern Illinois University Carbondale

Kris Woo

Department of Mathematics, Statistics, & Computer Science

University of Illinois Chicago

This is a sample abstract for your talk at the LLC (Langenhop Lecture and Conference).

Please email your abstract in plain text to dfritcher@siu.edu. You may submit an extended abstract following the format of this sample.

If you use figures, the preferred format is PDF.
