Applications are invited for a one-year visiting assistant professor position to begin August 16, 2014. Candidates must demonstrate evidence of excellence in both research and teaching. The applicant hired into this position will be expected to teach effectively and interact with the department through colloquia and seminars. The successful applicant will be expected to teach three courses of undergraduate and/or graduate courses in mathematics per semester for the 2014-15 academic year. A Ph.D in mathematics is required by August 1st, 2014. Postdoctoral experience and a research concentration in Algebra is preferred. Applicants should send a letter of application, CV, evidence of teaching effectiveness, and three letters of recommendation to: gbudzban@siu.edu with the subject line Visiting Assistant Professor Position. Alternatively, the application materials can be sent to:
