

# IL-MO Undergraduate and Master Students Mathematics Conference

SIU, Carbondale, IL, Saturday, 9 November 2019

A great opportunity for undergraduate and master students to present mathematical research projects and expository papers, to meet with more established mathematicians and to network with their fellow students.

Organized jointly by Southeast Missouri State University and Southern Illinois University. This year it will be held on the Campus of **SIU at Carbondale, Neckers Building, Room 440, Young Auditorium**, on Saturday, 9 November 2019.

This conference is open to anyone interested in undergraduate and Master level mathematics. **Undergraduate students** at all levels and **graduates** studying for a MSc are invited to discuss their work on any mathematics-related topic. **High School** students are also strongly encouraged to participate. We will provide a **poster room** for those who would like to display their work in a poster, whether they are presenting or not.

Invited talk

**Philip Feinsilver**

Southern Illinois University at Carbondale

**What are Krawtchouk polynomials?**

**We are now calling for papers. Deadline for contributed papers is Wednesday 6 November 2019**  
**Free breakfast and lunch are provided**
