

LANGENHOP LECTURE & SIU CONFERENCE IN STATISTICS/PROBABILITY

SALAH MOHAMMAD MEMORIAL CONFERENCE

MAY 14 & 15, 2018

LANGENHOP LECTURE:

PROF. DAVID BANKS, DUKE UNIVERSITY

STATISTICS/PROBABILITY CONFERENCE

AREAS OF STATISTICS

MATHEMATICAL STATISTICS

BIOSTATISTICS

ECONOMETRICS

MACHINE LEARNING/DATA SCIENCE

BIG DATA

OTHERS

AREAS OF PROBABILITY

STOCHASTIC DIFFERENTIAL EQUATIONS

MALLIAVIN CALCULUS

BOUNDARY VALUE PROBLEMS

OTHERS

PROGRAM COMMITTEE: BHASKAR BHATTACHARYA, RANDY HUGHES, JERZY KOCIK,

DAVID OLIVE, YASER SAMADI, HENRI SCHURZ

ORGANIZING COMMITTEE: BHASKAR BHATTACHARYA, WESLEY CALVERT, YASER SAMADI

The Department of Mathematics at Southern Illinois University is pleased to announce a research conference in the areas of statistics and probability.

Invited and contributed talks are being sought at this time. Graduate students are welcome to participate. A poster session is also planned.

Please submit an abstract of your presentation to: dfritcher@siu.edu by March 31st, 2018.

The Langenhop lecture series promotes the importance of mathematics/statistics to a general audience.

Accommodation and food are covered for participants.

**REGISTER BY MARCH 31ST,
2018**
