

GETTING MATH FIT FOR FINALS

“So Much to Remember, So Little Time”

Algebra: “No wonder they’re called complex numbers.”

Finite: “Probability... Yipes!”

Trig: “So many formulas to memorize.”

Even an elephant would have trouble...

Here’s what we suggest.

1. Don’t procrastinate. Start your review TODAY!!!
2. Make up a study guide. Math finals are comprehensive. You must be prepared for “anything.”
3. Help sessions offered Sunday – Thursday now through finals. See link below for times and locations.
4. Plan to attend final review sessions. See schedule below.
