

September 12, 2018

Dear Math and Science Teachers:

This packet of information is intended to describe, in detail, the upcoming **28th annual *Expanding Your Horizons* conference on Saturday, November 3, 2018** at Southern Illinois University Carbondale.

Please post the enclosed flyer and workshop listings on the school bulletin board. More workshops for 2018 are being added so check the website often. Feel free to make copies of the registration forms as needed and circulate to 5th, 6th, 7th, 8th, and 9th grade girls. We would also like to invite parents and teachers to come to this conference. (If you plan to attend, please make sure to register.)

Registration Fees (includes lunch):

- On or before October 19: \$10.00
- After October 19 (if available): \$17.00

Registration Deadline: October 19, 2018

Registration Options:

- Register online at <http://math.siu.edu/eyh/online-registration.php>. This online registration only requires the names and general information of attendees. *All fees must be mailed.*
- Mail-In Registration. All fees must be mailed with your Mail-In Registration. Make the check payable to SIUC.
- Confirmations will be emailed. Make sure your email address is correct.
- **No Credit Cards are accepted this year.**
- After completing your online registration, mail the fee to the following address. (If we can photograph your daughter, please fill out the permission slip on the website and send this in with your money.)
 - SIUC-Mathematics
 - Expanding Your Horizons
 - 1245 Lincoln Drive, MC 4408
 - Carbondale, IL 62901

In addition we are able to offer:

- \$50 gift certificate to the teacher who has the most students in attendance.
- Money for a bus if your school brings more than 25 students.
- 3 CPDUs for teachers. (Please let us know ahead of time if you would like the CPDUs.)

If you have any questions, comments, or suggestions about the program, please call Thara Lowndes or Kathy Pericak-Spector at (618) 453-5302. You may also e-mail your questions to EYHMath@siu.edu. We look forward to seeing you on Saturday, November 3rd.

Yours sincerely,

Thara Lowndes *Kathy Pericak-Spector*

Thara Lowndes, Kathy Pericak-Spector
Co-chairs

We are trying to get the word out about our conference so- Teachers, if you have access to parents' emails or parents have access to their child's grades, we would appreciate it if you would post our website for parents to see.
