

October 3, 2022

Dear Math and Science Teachers:

This packet of information is intended to describe, in detail, the upcoming **30th annual *Expanding Your Horizons* conference on Saturday, November 5, 2022** at Southern Illinois University Carbondale.

Please post the enclosed flyer and information letter on the school bulletin board. As the workshops for 2022 are finalized they will be added to our website, <https://math.siu.edu/eyh/workshops.php> be sure to check often. Feel free to make copies of the registration forms as needed and circulate to 5th, 6th, 7th, 8th, and 9th grade students. We would also like to invite parents and teachers to come to this conference. (If you plan to attend, please make sure to register.)

Registration Fees (includes lunch): **Early registration deadline is October 7th to get the discount.**

- On or before October 7: \$10.00
- After October 7th: \$17.00
- After October 21st: \$17.00 - if available

Registration Deadline: October 21, 2022

Registration Options:

- Register online at <https://math.siu.edu/index.php>. Look under “EYH LINKS” for the Registration Link. This online registration only requires the names and general information of attendees. **All fees must be mailed. No Credit Cards are accepted.**
- Mail-In Registration. All fees must be mailed with your Mail-In Registration. Make the check payable to SIUC.
- Confirmations will be emailed. Make sure your email address is correct.
- After completing your online registration, mail the fee to the following address. (If we can photograph your child, please fill out the permission slip on the website and send this in with your money.)
 - SIUC-Mathematics
 - Expanding Your Horizons
 - 1245 Lincoln Drive, MC 4408
 - Carbondale, IL 62901

Please note, SIU is committed to gender inclusivity. As such, this event is open to all persons, including boys.

In addition we are able to offer:

- \$50 gift certificate to the teacher who has the most students in attendance.
- Money for a bus if your school brings more than 25 students.
- 3 CPDUs for teachers. (Please let us know ahead of time if you would like the CPDUs.)

If you have any questions, comments, or suggestions about the program, please call Thara Lowndes at (618) 453-6569. You may also e-mail your questions to EYHMath@siu.edu. We look forward to seeing you on Saturday, November 5th.

Yours sincerely,

Thara Lowndes & Vina Castelli Co-Chairs

We are trying to get the word out about our conference so Teachers, if you have access to parents' emails or parents have access to their child's grades, we would appreciate it if you would post our website for parents to see.
